Chico SDA Church, Chico

Gordon Botting

It is with great sadness that we share the news that **Gordon Botting**, retired Northern California Conference pastor and department director, passed away Thursday night, July 11. He most recently served as director of NCC community services, health, and stewardship—three ministries he was very passionate about because they enabled church members to reach out to their communities. At the time of his death, he was serving as Pacific Union Conference stewardship director.

“Gordon helped countless people during his lifetime of service,” said NCC President Marc Woodson. “Only in heaven will we know how

many lives he impacted. We are so thankful for the assurance that we will see our friend again—soon!”

In the mid-1990s, Gordon created *The Stewpot*, a monthly bulletin about stewardship. He wrote most of the issues in the decades since then. In the most recent issue (July 2019), his topic was planning ahead for Christmas. He concluded with these words:

Above all, not only during the Christmas season but for the next six months, remember that our Heavenly Father poured out all of heaven in one eternal gift—His Son, Jesus Christ. And through that blessing over 2,000 years ago, we benefit from numerous gifts, such as the gift of forgiveness, the gift of fellowship with Him, and the gift of eternal life through His Son’s sacrifice on Calvary. Beginning this July, make it a point to share the most amazing gift of all—the good news about Jesus.

Gordon is survived by his wife Margaret, his daughter Angela Graf (and husband Ricardo), his son Tim (and wife Dusty), and five grandchildren.

A memorial service is being planned for 4:00 p.m. Sabbath afternoon, August 3 at the Carmichael SDA Church, 4600 Winding Way, Sacramento, CA 95841. The Botting family requests that instead of sending flowers Gordon Botting make a donation to furnish the Wesley ACS Center. (Please select the Dominica program, and write in the comments section: "Gordon Botting remembrance - Wesley Community Services Center.") .

Gordon’s legacy will live on in the many lives he touched through his years of ministry. We look forward to seeing our colleague and friend again in the Great Morning.

(The above is a reprint from the NCC website.)

PAC — We would like to add that Gordon played a significant role in supporting our PAC CHIP program in the early 2000’s.

Pastor Dan Martella and 33 fellow worshippers met at the PAC Prayer Garden for the July 13 Sabbath Worship Service. Pastor Dan's sermon title, "Given to Hospitality" seemed quite appropriate as Pastor Tom Adams' set-up team went to great lengths to assure folks' comfort. Set-up included chairs, space for lawn chairs, port-a-potties, and water misters to cool everyone down. A blessed Sabbath was had by all! Thank you Pastors Dan & Tom and your set-up team for all your hard work!

Visit with those washing laundry at the *Clark Road Laundromat*. Pay for someone's laundry to be washed and offer to help them fold their clothes. Share God's love in a practical way!

The venue and timing for this event were chosen by California Care Force in response to the desperate need of free health care by the victims of the November 2018 Camp Fire in Butte County. This event has been sponsored in part by the generous donations made to the **Northern California Conference of Seventh-day Adventists** designated for Camp Fire Victims.

California CareForce will be at the Silver Dollar Fairgrounds on August 3 -4, 2019 to provide free medical, dental, and vision services to those in need. All services are provided at no cost and with no restrictions based on income, insurance, residency, employment or immigration status. Demand is expected to be high, so please follow the instructions set out in the FAQs section below.

Where is the Clinic? Silver Dollar Fairgrounds 2357 Fair St, Chico, CA 95928

When is the clinic? Saturday, August 3, 2019 and Sunday, August 4, 2019

What services will be available? Medical: General exams, physicals, and chiropractic.

Dental: *Dental screenings, x-rays, cleanings, fillings, and extractions*

Vision: *Eye health exams, vision exams, and custom prescription glasses made on-site*

What services will NOT be available? Dental: *Deep cleanings, root canals, crowns, dentures, implants, or bridges*

Is there any cost for these services? No. All our services are free.

How does someone receive service? A limited number of wristbands guaranteeing next-day service will be distributed beginning at 9:30 am on the morning proceeding each clinic day. You can only receive a wristband for the next clinic day. Wristbands for Saturday will be distributed at 9:30 AM on Friday; and, wristbands for Sunday will be distributed at 9:30 AM on Saturday. Wristbands will be distributed starting at 9:30 am each morning or until they're gone — whichever comes first.

These wristbands **cannot** be transferred to another individual. If the wristband has been cut, torn or altered, it may become invalid and service, or treatment, may not be given to the person in possession of the wristband. You cannot receive more than one wristband for each clinic day. You will be allocated a wristband which allows you to return at 6:30 AM, 8:30 AM or 10:30 AM on Saturday or to return at 6:30 AM or 8:30 AM on Sunday. We recommend requesting the wristband for the earliest available time on each clinic day.

You must arrive at the clinic the following day within an hour of the return time stated on your wristband to receive services.

We may also offer services to patients in a stand-by line on each clinic day. Being in the stand-by line does not guarantee service and availability is usually very limited. This line may not be first come first serve, but may depend on the services needed. (For example, if a patient is in need of an extraction and we have oral surgeons available, we may take that patient ahead of those in need of other services.) The services available will depend on the flow of patients who have received wristbands. The recommended way to receive services is to receive a wristband beforehand.

Veterans who have their DD-214, VA card or military ID or California driver's license/ID cards that have the military designation, do not have to receive a wristband the day before seeking services. You will be given priority to the entrance of the clinic. Please arrive by 11:00 am to be admitted to the clinic that day.

Do all the members of my family need a wristband? Yes. Anyone receiving service **MUST** have a wristband.

What if I need more than one service? Our policy is to provide only one dental, or vision per day in order to meet as much demand for them as possible. Most patients can receive a medical and dental service or a vision and medical service in the same day. You are more than welcome to stand in line for a second wristband for dental or vision service the following day after you have received care the first day you visit the clinic. Once you finish services on the first day, you will want to immediately go to the wristband distribution line to receive a wristband for the next day. Due to the temperature in Chico, in August, wristband distribution will begin at 9:30 AM on Friday, August 2, 2019, and Saturday, August 3, 2019, until they are gone.

Do veterans get priority? Yes. Veterans receive priority entrance to the clinic. Service will begin at 7:00 AM on each clinic day. Please arrive by 11:00 am to avoid disappointment. Veterans do NOT have to wait in line for a wristband the day before. Veterans can receive services on the same day they visit the clinic. Please look for the "Veterans Line Starts Here" sign when you arrive. Indicate that you are a veteran and bring a copy of your DD-214 or military, reserve or VA ID card or California driver's license/ID card that has the military designation. Service is not limited to those with an honorable discharge status.

Active members and veterans of the U.S Army, Navy, Marine Corps, Air Force, Coast Guard, National Guard, Reserve and their families will receive this service.

Are there any restrictions on who can receive service? No. California CareForce does not have any restrictions on our services based on income, residency, immigration status, employment or any other restrictions.

Do I need insurance? No. We will not check your insurance and having insurance does not make you ineligible to receive our services.

Do I need ID? No. We do not require photo ID.

I think I need a tooth pulled, but I am currently taking a blood thinner. Is there anything I need to do before the clinic? If you are currently prescribed a blood thinner and believe you may need an extraction, contact your physician prior to the clinic for instructions on how to manage, if necessary, your blood thinner. If you are regularly tested, please bring your most recent INR test result.

I received services at the clinic, but the doctor told me to come back tomorrow to receive additional treatment. Do I still need a wristband?

Yes. You need a wristband for each day you visit the clinic. If the doctor does not provide you with a golden (returning) wristband, you must stand in line to get another per the instructions above.

2019 Chico Clinic Volunteer Registration NOW OPEN!

<https://www.californiacareforce.org/volunteer/chico/>

Volunteering at a California CareForce clinic is an experience like none other. It will be a full, busy day, but fun and rewarding! We aim to provide our clinic volunteers with the best experience possible. All California CareForce clinics are volunteer-led; we couldn't provide these critical dental, vision and medical services without you!

Please review the following important information about what to expect at a California CareForce clinic.

Time Commitment: Since the number of patients we serve each day is based on the number of volunteers we have, when you sign up to volunteer for a clinic day, we expect you will volunteer the whole day. Our clinics typically open at 7:00 am and close in the late afternoon or early evening hours (around 5 PM). The schedules for each section of the clinic vary based on the skills, qualifications, and experience of the volunteers in those sections.

We are in need of **Medical Volunteers, Dental Volunteers, Vision Volunteers, and General Volunteers (Non-Professional)**. **Food:** We provide our volunteers with breakfast, lunch, and refreshments each day.
