Welcome ...

We welcome you to the Paradise Seventh-day Adventist Church! Thank you for joining us today. It is our prayer that together we will learn about and honor the authority of the One who created us and who loves us through the study of His Word.

Today's Focus ...

Jesus taught the people in the temple and preached the gospel, so the church leadership spoke to Him, saying, "By what authority are you doing these things?"
~ Luke 20:1-2

James Harding (husband of Louise Harding: 4972 Malibu Dr., Paradise, CA 95969) passed away suddenly on Monday, June 25 at the age of 85 due to a sudden downturn from leukemia. He was a contractor in Paradise since 1969 and mentored many of the young men who came through his life. James was the father of Jim (& Rochelle) Harding Jr. (500 Bay Tree Dr., Paradise). A graveside service was held last Friday, June 29. In lieu of flowers, the family asks for a donation toward the worthy cause of your choosing. The family appreciates all of the prayers that they know are going out on their behalf.

The Northern California Conference Executive Committee has authorized conference administration to explore the possibilities of relocating the conference office to Roseville. There are a number of important factors involved in this matter. So, we're requesting that on Sabbath, July 14, our conference family take time throughout the day to seek the clear direction and will of God in a special time of prayer.

NCC Project Dominica (ACS)

Each Sabbath, about 150 members and visitors attend the Wesley Seventh-day Adventist Church on the island of Dominica. (Not to be confused with the Dominican Republic, Dominica is a small island in the Caribbean Sea, situated between Montserrat and St. Lucia. Wesley is located on the northeast coast line.)

The congregation has had an active community services group that utilized a building adjacent to the church to provide tangible help to the community. Dominica is one of the poorest of the Caribbean countries. About 15 church members provided meals to the community on a regular basis and distributed clothing and other items to people in need.

On September 18, 2017, Hurricane Maria demolished the Wesley Community Services building. *Maranatha Volunteers International* has been asked to build a new center for the ACS group at Wesley, and the Northern California Conference ACS (Adventist Community Services) has been asked to provide both funds and volunteers to construct the building. The new building will allow the church members to resume their service to the community. They also plan to increase their outreach by adding cooking classes, health screenings, and family life seminars.

To make a donation (requested by July 30, 2018), please write **NCC Project Dominica** on your offering envelope.
